Erection of dwelling
12 High Street, North Tawton, EX20 2HF

Councillors entered the site via the double doors off High Street. The Chairman requested Mr M Hann to briefly point out the size of the extension in relation to the existing building.

Councillors proceeded to Stoats Mews to view the site to assess the potential impact of the proposed dwelling.

Councillors returned to the Council Offices to discuss the matter further.

Councillors noted that the objection letters sent to West Devon mainly focussed on an access via Stoats Mews, which they considered irrelevant as an access via Stoats Mews was not proposed.

It was proposed and seconded that the Town Council should support the application; a counter proposal was proposed and seconded that the Town Council should object to the proposal in its present form, as the site is within the Conservation Area and includes a large extension to the dwelling which does not follow the existing building line.

A vote took place. 5 Councillors voted to support the application.

Cllr Mrs C Burrow and Cllr K Hodge voted against the proposal.

The meeting ended at 1.45 pm.
